MEANS

Chapter I

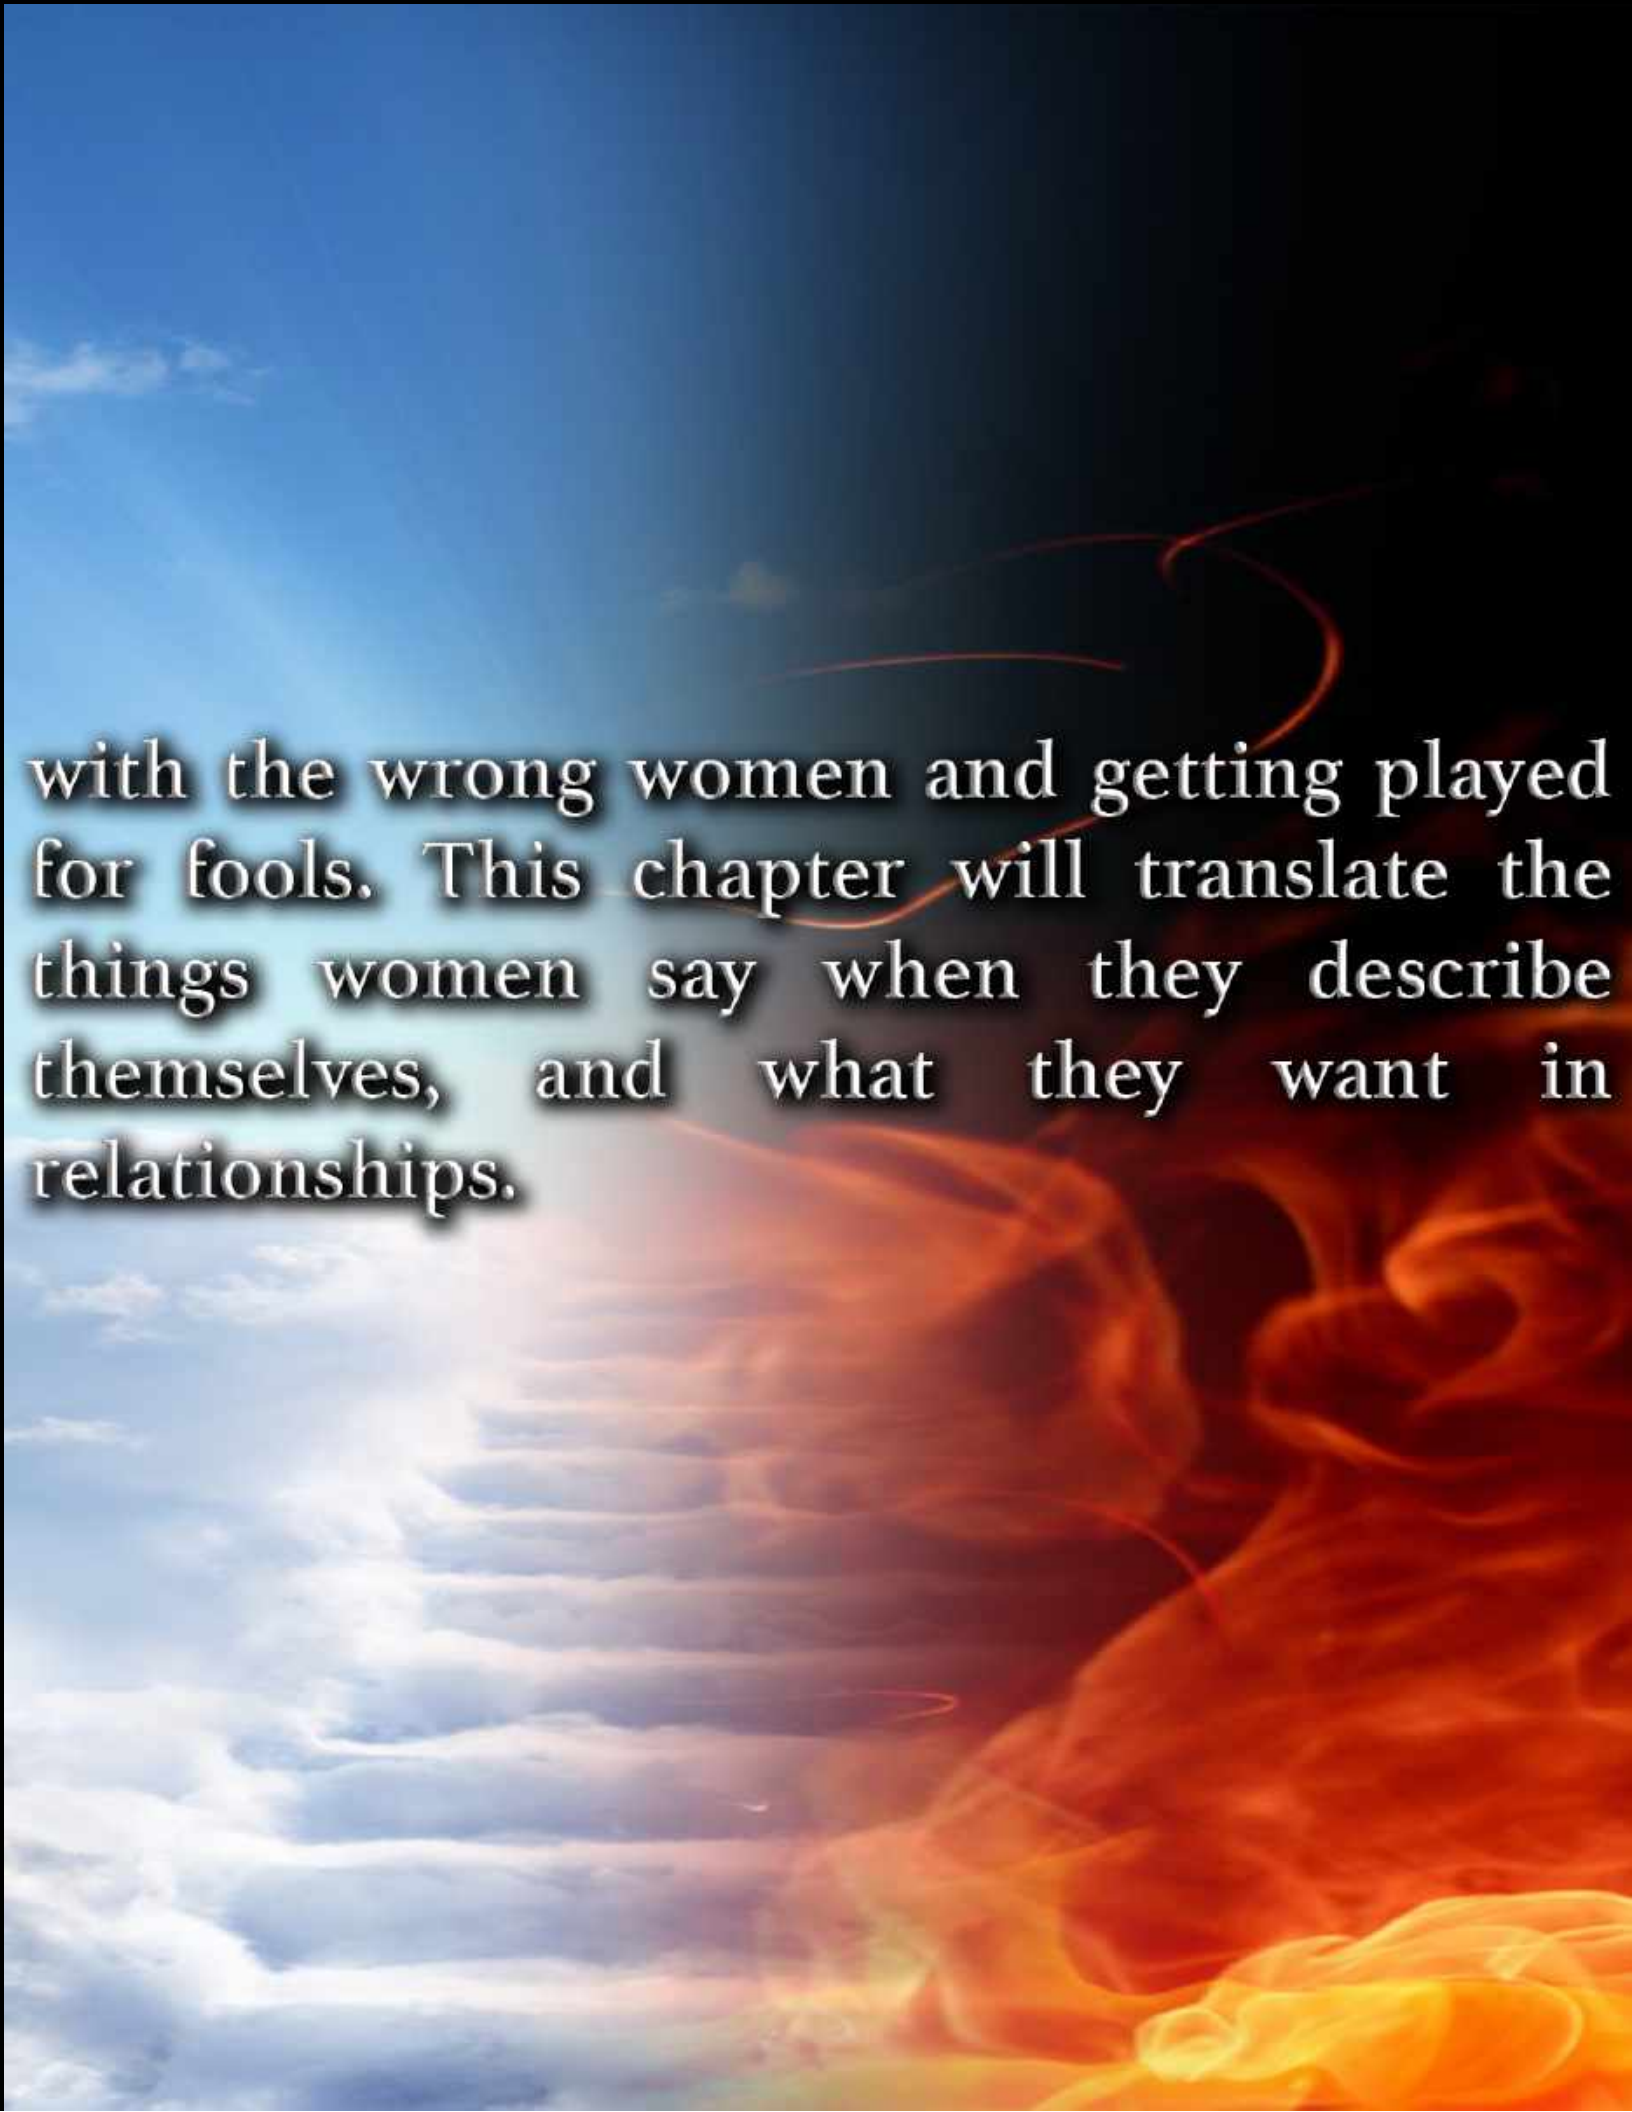

What Women
Really Want
(Advanced)

Any man who believes what women say when they talk about who they are and what they want in a man and a relationship, are always befuddled as to why they're never who they say they are, and why they always chase Men who are the complete opposite of what they said they wanted. Most Men in the West have experienced this phenomenon more times than they can count.

One of the most ubiquitous axioms in the Red Pill community is never believe what a woman SAYS, watch what she does. While this is 100% true, most guys don't have the patience or the discipline to refrain from committing to a woman long enough to observe her to get an accurate read on who and what she is.

As a result, Men are wasting a lot of time

with the wrong women and getting played for fools. This chapter will translate the things women say when they describe themselves, and what they want in relationships.

What she *SAYS*:

*I will be yours
forever!*

What she *MEANS*:

*I'll be yours until
I find someone
better*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

You can never own a woman. It doesn't matter how much money you have, how big your dick is, or how many times she tells you "I belong to you and only you", a woman never truly belongs to you in an ownership sense.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I love a Man who
can treat me like
a lady*

What she *MEANS*:

*I will punish you if you
do this. I've been
sleeping around for 5
years and you should
know better*

Volume V, Chapter I:

What Women Really Want (Advanced)

Why does she say this?

One of the ironclad rules a Man who is unplugged from the matrix should burn into his brain, is that he should never treat a slut like a lady. The reason sluts punish Men who treat them well is because they know they are not worthy of such treatment. So when being treated with such reverence and respect, they act out, misbehave, and unconsciously sabotage the relationship so that they can be thrown back to the Men who treat them like garbage; the Men they know they truly deserve.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*If he doesn't pay,
I'm not going on
a 2nd date with
him*

What she *MEANS*:

*If I can't use him for a
free meal, I'll move to
the next target*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

“Foodie call” is a recent moniker invented to humorize the deceitful act of a female going on a date with a Man she is not romantically interested in, unbeknownst to the Man, for the sole purpose of getting a free meal(s). In order to keep from beating a woman who is not sleeping with you, abide by Law III of the XLIX Laws Of Sharpe:

Never feed her before you fuck her.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I believe in
unconditional
love*

What she *MEANS*:

Unconditional
love...haha....don't make
me laugh LOL

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women are keenly aware there is no such thing as unconditional love. They try to sell you on it to make you think they will be yours forever, knowing full well this is not the case. But if you cannot provide for and/or physically protect a woman, she will never love you. This is merely a survival mechanism. Nothing more.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Okay, SOME
girls sleep around
but not ALL*

What she *MEANS*:

*Okay....yeah...most girls
do sleep around...
...including me*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women know that most girls are sluts. Just ignore a woman when she tells you that not all women are like that.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I want a
relationship I can
be comfortable in*

What she *MEANS*:

*I want a relationship
where I'm allowed to
get fat and keep his
commitment*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

...and this is exactly why Law XIX Of The XLIX Laws Of Sharpe states:

Girlfriends are better than wives

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*If you try to fuck
on the first date,
creep alert!*

What she *MEANS*:

*I may not wanna fuck,
but at least I know
you're turned on by me*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Modern woman quite literally take it as an insult if you do not try to fuck them on the first date. It is a slap in the face and a blow to their fragile egos. Now It is important to keep in mind that just because a woman has it in her mind that she isn't going to sleep with you, that it doesn't mean she doesn't want to, and it doesn't mean she doesn't want you to try. You may not fuck her, but you will most certainly have her respect.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Abusive guys are
a NO GO!*

What she *MEANS*:

*I wouldn't LIKE it, but
at least I wouldn't be
bored*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

DISCLAIMER: I am in no way, shape, or form, advising men to become physically abusive toward women. I am simply pointing out reasons why females are drawn to abusive and violent men.

Now that that's out of the way, let's talk like Men. Obviously, women do not like being physically or verbally abused. But the unpredictability of a Man's volatile mood keeps a woman on her toes, and for better or worse, keeps her around. And one of the main reasons is because there is very little boredom. The very worst thing a Man can be in a relationship is boring. And unfortunately for a lot of women, this programming subconsciously prioritizes everything over boredom. Including abuse.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*If you're a selfish
lover...GOODBYE!*

What she *MEANS*:

I like a man who takes
control in the
bedroom...that shit's
hot!

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women love Men who do what they want in and out of the bedroom. Worrying about whether or not she is having the all elusive female orgasm will quickly get old. When it does, she will start fucking someone who cares less about her "needs".

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*You've probably
been with more
people than I have*

What she *MEANS*:

**Trust me...my body
count is at least
quadruple yours**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Her body count will always be higher than yours. This is the reality. There is no need to ask her how many guys she's fucked. No matter what the number is, you will always be shocked even though you know she is lying.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I'm not seeing
anyone else right
now. I like YOU.*

What she *MEANS*:

*I'm fuckin' like
5 other guys...
...maybe 6?*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

A lot of Men are often disappointed and even crestfallen when they find out a woman they are sleeping with is sleeping with another Man or other Men. Do not make the egregious mistake of assuming you are the only Man she is sleeping with.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I've never met a
guy like you*

What she *MEANS*:

*I meet guys like you all
the time. But you've got
money so I wanna keep
you around*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Never allow a woman to convince you she can't get from other Men what she gets from you.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Insecurity is a
TURN OFF*

What she *MEANS*:

**I loooooove territorial
Men. That shit's HOT**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Insecurity is highly unattractive. We know this. Instead, a Man should strive to be territorial. Doing so requires understanding the difference between being insecure and being territorial.

Being insecure is reactive, while being territorial is proactive.

As a Man, it is your responsibility to keep your woman out of situations that could potentially put your relationship at risk. Taking her to the club, or a bar is asking for trouble. So rather than having to react to a situation you allowed to happen, you proactively avoid these situations to begin with.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Why doesn't he
propose already?!*

What she *MEANS*:

*I'm ready to relax and
eat what I want already.
The gym sucks!*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

As I said before, girlfriends are better than wives. Wives have no motivation to behave, stay fit, or remain faithful (among other things) because of the ball and chain around their husbands' ankle in the form of a contract with the state otherwise known as "holy matrimony".

This is why the average wife is fat, bitchy, and closes her legs the moment she produces an offspring.

Girlfriends, on the other hand, are highly motivated to stay fit, feminine, and faithful because there is no contract in place guaranteeing her cash and prizes should she decide to detonate the relationship.

And this is exactly why women always push for marriage.

Womanese Vol. 5
Professor Sharpe

What she *SAYS*: I of II

*Dave already has
a girlfriend? What
the fuck?*

What she *MEANS*:

**I'm still in love
with Dave**

Volume V, Chapter I:
What Women Really Want (Advanced)

What she *SAYS*: II of II

*Dave has a
girlfriend?
Okay...don't really
care*

What she *MEANS*:

**I got over Dave a long
time ago**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

If a woman claims that she "hates" her ex, she most certainly still loves him. There is, indeed, a thin line between love and hate and that thin line is what keeps her around. When she no longer cares, she no longer loves him.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Bob's got a great
job and all but I
LOVE Dave's
music*

What she *MEANS*:

**Bob is stable but Dave is
way more exciting**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Simply put, a man who is an A+ at one thing will fuck hotter women than a man who is a B minus and everything

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I cry a lot because
I'm so emotional*

What she *MEANS*:

*I never really cry. I just
pretend to, to get my
way or to manipulate
people*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

The only time a woman's tears are genuine, is when she is crying by herself. If she has an audience of even one person, she is crying crocodile tears.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*: I of II

*Oh, you climbed
Mount Everest?
Yeah...okay...great*

What she *MEANS*:

**I don't believe you
climbed Mount Everest**

Volume V, Chapter I:
What Women Really Want (Advanced)

What she *SAYS*: II of II

*OMG are these
pictures of you on
Mount Everest???*

What she *MEANS*:

*I am very impressed
because you didn't have
to tell me. And I believe
you now*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Talking about your attributes and accomplishments to a woman comes off as try-hard and thirsty. When it comes to your money and lifestyle, talking about these things is leading with your wallet which is always a huge mistake when dealing with women.

Now, you may very well be a very impressive individual. But if you proactively talk about how impressive you are, there is a very good possibility she is not going to believe you.

Discovery trumps disclosure. Always has, always will.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Hey, I know I
keep bringing this
up but I swear I'm
telling the truth*

What she *MEANS*:

*I'm lying through my
teeth and I'm trying to
make sure you believe
me*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

A tell tale sign of someone who is being dishonest with you is that their explanation is long and extensive. Wanna woman spends 10 minutes explaining why she did or didn't do or say something, it becomes clear that she is being dishonest.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I'm still hot so I
know I have
plenty of options*

What she *MEANS*:

*I've exercised those
options, several
times....EACH*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Extremely attractive woman are able to have sex with just about any Man they want at just about anytime they want. As such, they indulge in themselves due to their lack of impulse control.

Combine that with the sheer abundance of opportunities they are presented with on a daily basis, and it is very easy for them to rack up double digit body counts in a very short period of time.

Do not be fooled by their false air of selectiveness. These girls get horny just like every other female. And at some point they give in to their slutty ways.

Keep in mind that super attractive girls do a very good job at hiding their sluttiness. But don't get it twisted, these girls have been ran through every bit as much as, if not more than average looking girls.

The bottom line here is that 9s and 10s belong to the game.

Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I can't believe
Dave cheated on
me!!!!*

What she *MEANS*:

*I've cheated on all my
boyfriends. Dave was
the first to beat me to it.*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Never feel bad for a woman who gets fucked over by a guy. She's done it to at least two dozen other men and will probably do it to two dozen more.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*There's nothing
sexier than a Man
who cries*

What she *MEANS*:

**Men who cry are
repulsive.**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

The loss of a family member or a pet notwithstanding, never let your woman see you cry.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*: I of IV

*You are SO the
biggest dick I've
ever had in me!*

What she *MEANS*:

Not even close. I can
think of at least 20 other
guys bigger than you

Volume V, Chapter I:
What Women Really Want (Advanced)

What she *SAYS*: II of IV

*You're the only
guy I've done this
with*

What she *MEANS*:

*You're the only guy I've
done this with...
...this month*

Volume V, Chapter I:
What Women Really Want (Advanced)

What she *SAYS*: III of IV

*You're the first
guy I've done this
with*

What she *MEANS*:

*You're the first guy I've
done this with...
...this week*

Volume V, Chapter I:
What Women Really Want (Advanced)

What she *SAYS*: IV of IV

*OMG you're the
best I've ever had*

What she *MEANS*:

**Nope, at least 3 dozen
guys were a lot better
than you**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Get this through your thick skull gentlemen:

You will NEVER be her biggest, best, her first, or her only. Never forget that.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I would NEVER
marry Jamal*

What she *MEANS*:

**But I'd totally fuck him
on the low...**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women don't marry or date down. But they will most certainly FUCK down. No, this doesn't mean that Jamall has less value. But white girls are keenly aware that if word gets out that she likes to come mingle with brothers, white guys will scratch her off their list in a New York minute.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Oh I'm GREAT in
the kitchen. I'm
also a wiz with an
iron*

What she *MEANS*:

*I can't do any of that
stuff. And why should I?
I'm hot!*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Hot girls are useless because they have never had to be useful. If you're expecting a 9 or a 10 to have domestic skills, you'll never not be disappointed.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*A guy's gotta go
down, and be
unselfish to give
me good sex*

What she *MEANS*:

**Nah, all you have to do
is fuck me hard, smack
my ass and pull my hair.
Trust me I'll remember
you**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Just because you will never be her biggest, her best, her first, or her only doesn't mean you can't make yourself unforgettable (if you even care in the first place). So the easiest way to make her remember you is to o fuck her hard, pull her hair, and smack her ass.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I HATE it when a
guy likes me more
than I like him*

What she *MEANS*:

**But deep down I
fucking LOVE it!**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Girls never like this at first, but it doesn't take them long before they grow to love it. Women love being vulnerable emotionally to men.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*My ex texted me
the other day*

What she *MEANS*:

**I'm fuckin' my ex again
and have been for the
last 7 months**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women are masters of deception. Anything they tell you is devoid of self incriminating evidence.

→ Womanese Vol. 5
Professor Sharpe

Why does she say this?

Women are masters of deception. Anything they tell you is devoid of self incriminating evidence.

The rare exception is when she volunteers unfavorable information. 11 times out of 10 when she tells you "my ex texted me the other day", it means she's been fucking her ex for at least the last six months.

The reason she tells you her ex texted her is to make you believe that you can trust her. She knows that you are thinking "Wow! She didn't have to tell me about seeing her ex, but she did anyway! I know I can trust her now because she told me something she didn't have to!"

On this correct assumption, she engages in infidelity knowing that she has completely thrown you off of the scent. So when she tells you "Hey, I'm going to a friend's for coffee," you don't question the validity of what she told you because you foolishly believe she is always honest with you.

So when a woman proactively volunteers disparaging information about herself, stay on your Ps and Qs, keep your wits about you, and pay close attention to what she does and says. Chances are, you'll uncover something far more egregious than her ex texting her out of the blue

Womanese Vol. 5
Professor Sharpe

What she *SAYS*: I of III

I'm Catholic

What she *MEANS*:

**The strongest Man in
my life is Catholic**

Volume V, Chapter I:
What Women Really Want (Advanced)

What she *SAYS*: II of III

I'm An Atheist

What she *MEANS*:

**The strongest Man in
my life is an Atheist**

Volume V, Chapter I:
What Women Really Want (Advanced)

What she *SAYS*: III of III

*I'm studying
Buddhism*

What she *MEANS*:

**The strongest Man in
my life studies
Buddhism**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women rarely have their own beliefs. They inherently understand that they're thinking is flawed. Deep down, they know they cannot trust their own judgment (hence, the ironclad rule of pre-selection)

Accordingly, they only believe what the strongest, and most influential Men in their lives believe.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I've never fooled
around with
another girl*

What she *MEANS*:

**Honestly, I've probably
fooled around with
more women than most
guys have LOL**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Most women have had more sexual encounters with more women than most men. Men who denied us need to check their egos at the door and understand that this is one of the dark realities of today's sexual market place, and that it is not going to front on their own masculinity, rather an indictment of a woman's lack of character.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Women should
love Men for
what's on the
inside*

What she *MEANS*:

*No we shouldn't. Guys
judge us on our looks,
and we judge guys on
what they can do for us*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Simply put, attraction cannot be negotiated.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*Christy is sooooo
my bestie!*

What she *MEANS*:

*Truthfully, I don't really
like her half the time
anyway*

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women hate each other because they KNOW each other. Familiarity breeds contempt, as the saying goes, and female relationships are a manifestation of this immutable truth.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I'm very
mature*

What she *MEANS*:

**I still think and
act like I'm 15**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Women grow old, but they never grow up.
Never forget that.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*I will always love
you no matter
what*

What she *MEANS*:

**Not if you get fat, lose
your job and stop trying**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

Never complain about a woman's love being conditional. It is a privilege to have the burden of masculine performance.

→ Womanese Vol. 5
Professor Sharpe

What she *SAYS*:

*He already wants
me to be his
girlfriend!
Awwwww!!*

What she *MEANS*:

**Meh.....I wish he would
have made it at least a
LITTLE harder**

Volume V, Chapter I:
What Women Really Want (Advanced)

Why does she say this?

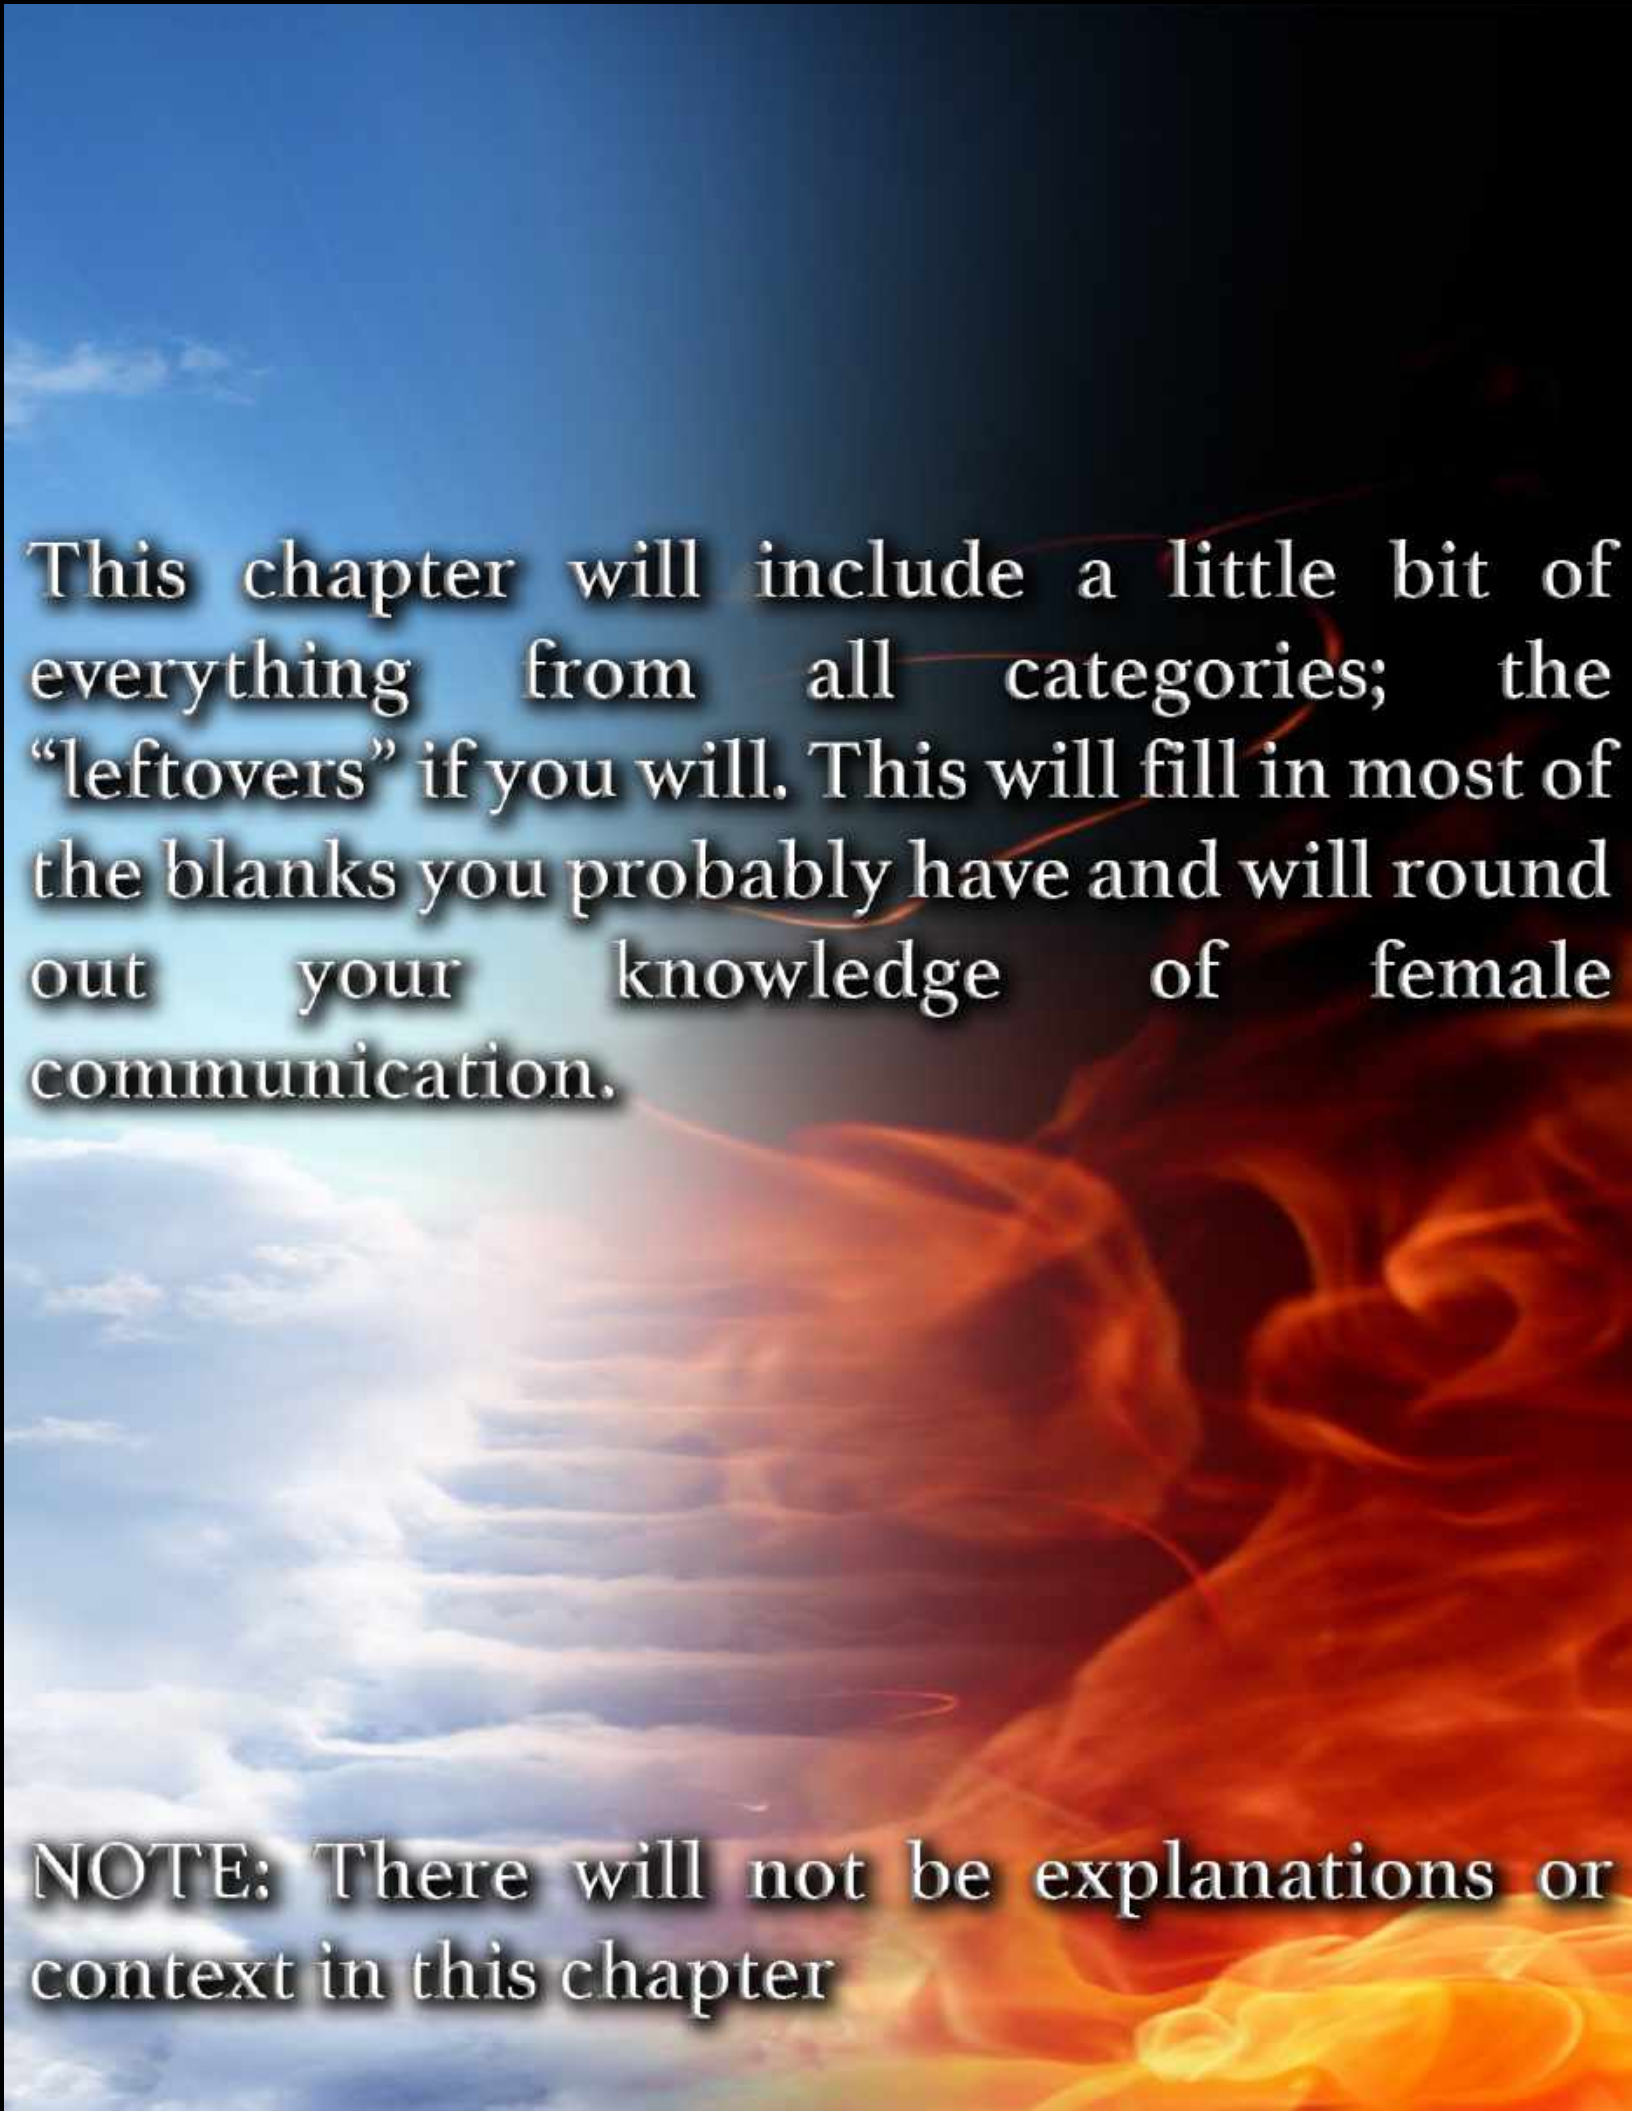

Never deprive a woman the privilege of working for your commitment. They will value it much more.

→ Womanese Vol. 5
Professor Sharpe
